

BakeMax BMW Series Water Meters

Model BMWMS15

The BakeMax BMW Series of Water Meters allows you to put specific amounts of water you need to help make perfect dough every time. On both units, the digital display can measure the water output in gallons, liters, pounds. There is also a digital display for water temperature (Celsius or Fahrenheit).

- **BMWMS15** is constructed entirely of stainless steel and automatically mixes the hot & cold water to the set temperature, all the water connections are on the bottom.
- **BMWM015** is constructed of a durable plastic & automatically mixes the hot & cold water to the set temperature, the input water connections are on the left.
- **BMWM010** is constructed of a durable plastic, and you must mix the hot & cold water yourself to your desired temperature.
- Saves time and very easy to operate
- Dispenses precise amounts (to the decimal if desired) of water to make the perfect dough every single time
- Displays temperature in Celsius or Fahrenheit
- Digital display measures in Liters, Gallons, and Pounds
- Adjustable temperature control from 0-40°C (32-104°F)
- Flow Rate of 100-3000 liters per Hour
- 2-Year Limited Warranty
